Name .....

Save our café!

1. Read this newspaper report.
2. Write a letter to the newspaper to say why people should go to the fish café. Think about what is special about the café and why it should be saved.

LOCAL FISH CAFÉ IN DANGER OF CLOSURE

Fresh Fish, your local friendly fish café, has told us that they have to close soon.

The café has been owned by the same family for many years. It used to be popular with local people and tourists.

Salty Skate and Perfect Plaice have been popular dishes on the menu and the fish pie is loved around the town.

We spoke to the owners' son, George who told us, "It's really sad. I love my mum's fish pie, but everyone else seems to prefer the burgers from down the road."

It will be very sad for the community to lose the café. We hope that some people in the town will tell others that 'fish really is best'.
