Name .....

Keeping memories

Use this table to compare how memories were recorded in the past with how they are recorded today.

Caves at Lascaux	Today
Animals that were alive then by drawing from memory	How do we record animals now? take photographs make drawings video
What people looked like then by drawing from memory	How do we keep a record of what people look like now?
What people did then by drawing from memory	How do we keep a record of what people do now?
