Ask the robot!

Teacher instructions

These questions to the green robot can be used for hot seating.
They can be cut up and given to children to prompt discussion.

Why were you hiding in the tree?

Where did you run away to?

Why did you run into the drain?

How did you feel when the children were chasing you?

What did the man plug you into?

What happened when you were plugged in?

Why did you take pictures of the children?

Was the man pleased with the pictures?

What did you feel when the other robots chased after the children?
